**March April 21-22, 2018**

**Safe Handgun Competitor Course**

The USPSA Safe Handgun Competitor Course, MA Edition, provides a two day introduction to the sport of Practical Handgun Shooting. The course will be offered from 9AM to 4PM on a Saturday and Sunday.

**Who it's For**

This course is intended for individuals who are already familiar with safe handgun operation, but are not experienced in the sport of USPSA/IPSC Practical Shooting.

**What You Need**

You will need hearing protection, eye protection, a center fire handgun with at least two magazines or speed loaders, and a belt mounted holster which covers the trigger guard when the firearm is holstered. You will also need 200 rounds of ammunition for your handgun.

**Cost**

The course costs \$75 and includes lunch on both days. There is a \$10 fee for cancellations.
